

FASTER

is a four-wheeled electric vehicle that gives freedom and independence to everyone who, for various reasons, is unable to move on their own. With this vehicle, everyone will safely get anywhere!

FASTER has a medical certificate authorizing the user in many countries to move around all places where pedestrian traffic takes place: sidewalks, parks, walking routes, shops and galleries.

It can also be possible to obtain refunding for the purchase of a vehicle. However this issues are regulated differently in each of EU countries.

Technical data:

-  1000 W engine
-  maximum speed 25 km/h
-  maximum range 55 km
-  weight including batteries 120 kg
-  maximum loading capacity 140 kg
-  battery set 60V20Ah
-  charging time 4-8 h
-  charging voltage 220-240V
-  wheel diameter front - 8", rear - 10"
