

PIXI

is a comfortable and modern ELECTRORIDE electric vehicle!

The large door opening angle and spacious rear seat make the PIXI a great two-seater!

Each trip will be pleasant with the bluetooth radio and the speakerphone will allow you to stay in touch with your loved ones anytime and anywhere!

It has an independent rear suspension, thanks to which both the driver and the passenger feel extremely comfortable even when driving on non-asphalt surfaces.

The ELECTRORIDE PIXI is also equipped with a foot brake that allows the vehicle to slow down smoothly, just like when driving a car.
