

FASTI 3

is the latest agile and manoeuvrable unbuilt vehicle from the ELECTRORIDE brand that makes moving around easier.

FASTI 3 is equipped with a comfortable armchair with a backrest and a closed trunk for carrying hand luggage.

FASTI 3 is distinguished by its modern design, full LED lighting, and most importantly, it has a medical certificate, which in many countries exempts you from the obligation to register, have a driving license and makes the FASTI 3 model treated as a pedestrian in road traffic. This makes it possible to walk on the sidewalk, enter a park or even a shopping mall!
