

# TRIO

is the most agile ELECTRORIDE open vehicle that makes it easier to move around.

TRIO is equipped with a comfortable armchair with a backrest and a stylish basket for carrying small luggage.

In addition, TRIO has a rear view camera built into the display, which makes reversing and parking really easy.

TRIO is the only ELECTRORIDE model with an electromagnetic brake. Thanks to this, we safely stop the vehicle by releasing the accelerator lever!

## Technical data:

-  500 W engine
-  maximum speed 25 km/h
-  maximum range 50 km
-  weight including batteries 117 kg
-  maximum loading capacity 127 kg
-  battery set 48V20Ah
-  charging time 4-8 h
